KO-GA-ME SERIES

MACH KO-GA-ME

The MACH Ko-ga-me — a fast, compact, lightweight and easy-to-mount CMM — is the ideal solution for automated cells. The guaranteed accuracy temperature of 10°C to 35°C provides flexibility and performance in your production environment. Mounted on any rigid frame, including machine tools, the MACH Ko-ga-me will provide CMM capabilities without the space requirements of a full-sized machine and in-process measurement without setup and breakdown.

The small-sized 3-axis CNC measuring head incorporates high accuracy and high speed with the flexibility to implement numerous configurations for inspection applications in the quality lab or directly within the manufacturing process.
