

In celebration of the 80th Anniversary of Mitutoyo Corporation headquarters in Japan, we are pleased to offer a FIVE YEAR WARRANTY for manual Coordinate Measuring machines sold in Canada in 2019.

Look no further for the best value available in measurement products, with first-class backup support services. Warranty begins on the CMM installation date.

For further information please contact your Local Distributor, Mitutoyo Sales Representative or email us at info@mitutoyo.ca
